

Brent Cyclists meeting 06 July 2011

Present: David Arditti & Ian Saville

Apologies: Ben Tansley & Charlie Kiss

1. Rides programme: none arranged after July one this week.

Action: ask Charlie & Ben if they can arrange any more rides.

2. Contacts with councillors

David to write to Cllr Kabir about getting BC into consultation with officers on schemes before design stage

3. Money (what to do with it: ~£1200)

Ben suggests (by email) writing to new members by post. David not sure of the point of this as they get our newsletter anyway.

Ben also suggests buying a new banner

David suggests giving money to Cycletastic or giving it back to LCC.

Another possibility is to send a specially designed & printed leaflet to councillors. Has been suggested before but somebody actually needs to do it.

4. Events

Hillingdon Skyride 31 July. David will lead a ride from Kingsbury Station to pick up the ride from Harrow.

Queens Park Day 11 September. David will put out a call on Yahoo group one week before for volunteers.

London Skyride 4 September. Decided to defer decisions till we have some info. Have one ride down there or two from different places? But we will be separate from Harrow ride this time.

Next meeting is social, Tues 2 August in The Crown

David Arditti (Secretary)
